Total Profit 2019 and Total Profit 2020 by Month

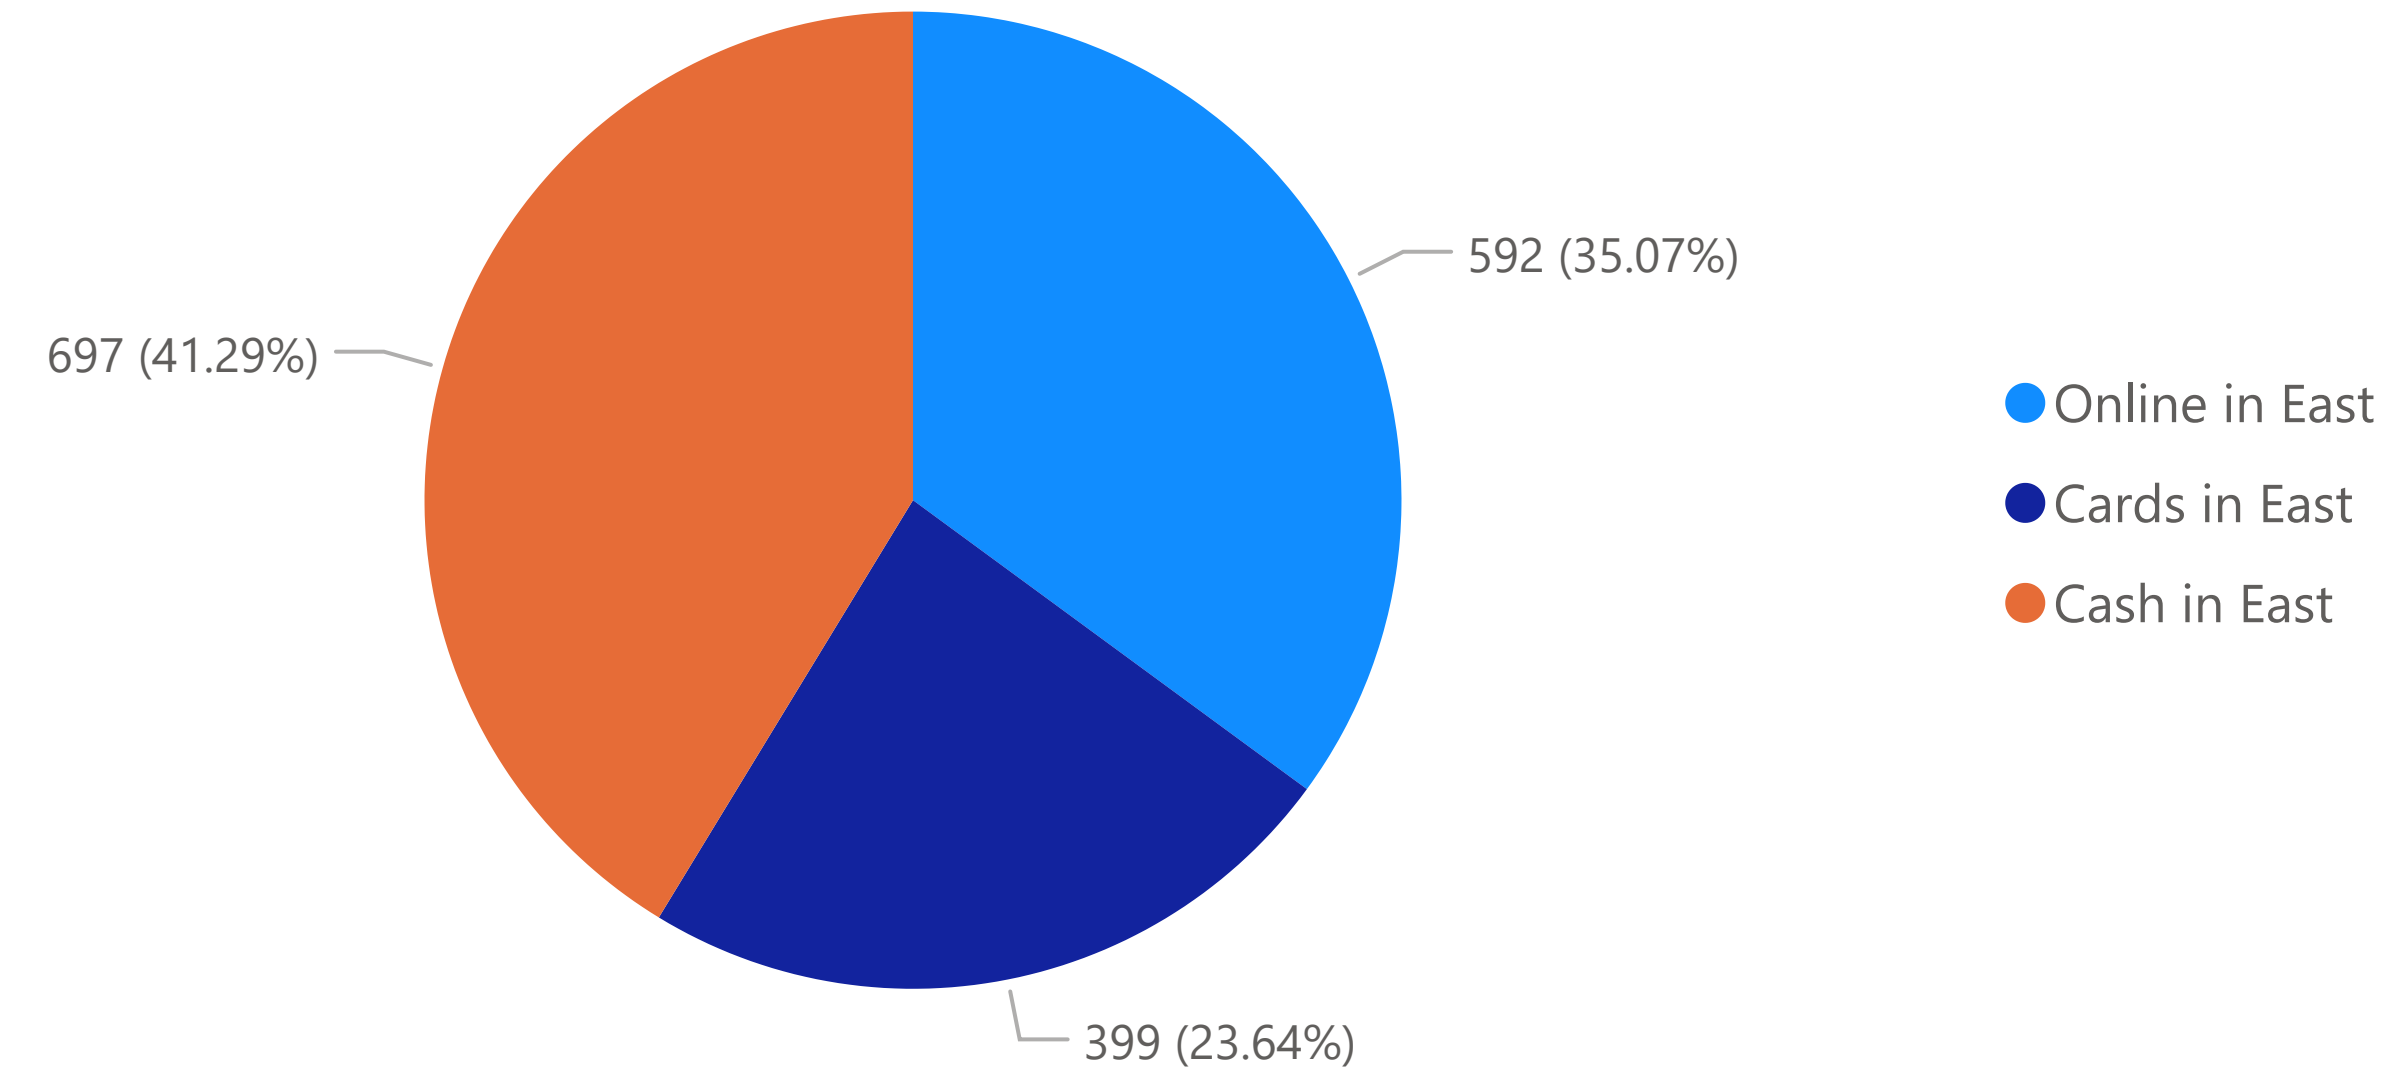

This map displays the United States and surrounding regions, with blue circles indicating data points. The circles vary in size, with the largest ones located in the Northeast (around New York City and Boston) and the West Coast (around San Francisco and Los Angeles). Smaller circles are distributed across the central and southern parts of the country. The map includes labels for various states and major cities, providing a geographical context for the data points.
